

HEART OF JESUS, OUR REFUGE AND SOLACE!

The Heavens hide their light for grief, and the world is wrapped in darkness. The Heart of Jesus is opened with a lance that there may be formed His only One, His perfect One, His Virgin Spouse: the Holy Church. Jesus willed that His Heart be opened that we might possess in His Heart a permanent place of refuge and solace, where everything necessary and useful to us would be found. The Wound in His Heart is the Door that remains forever open to us through which those who enter will be saved. It is a refuge for mortals and the Paradise of the Blessed.

Gaze upon the Heart of Jesus whose Love is stronger than death and more vigorous than life. All sweetness is there to arouse our faith, strengthen our hope and enkindle our love. Come and immerse thyself in this Ocean of Love. Hasten to this Fountain of Grace, to this gushing Spring of all consolation. In every peril and difficulty, throw thyself confidently upon the Heart of Jesus!

"Christ's Heart Is Open That ALL May Enter!"
